4. DATA PROCESSING IN CONNECTION WITH OUR WEBSITE

4.1. General data and Information resulting from your activity on our Website: We receive and store certain types of information every time you visit our Website. For example, like many websites, we use Cookies and we obtain certain types of information when your Web browser accesses our Website and other content provided by or on behalf of ETA on other Website. We may therefore also collect the following technical Data from you:

- IP address (automatically collected);
- Web browser type and version (automatically collected);
- Operating system used by accessing the Website (automatically collected);

- Your browsing history to and from the Website;
- The date and time of access to the Website
- The internet service provider of the accessing system
- Any other similar data and information that may be used in the event of attacks on our information technology systems

The collection and processing of this technical data is for the purpose of

- enabling the use of our website;
- developing our products, contents of our Website and services further;
- Continuously improving our Website and offering you a more enjoyable and efficient experience.
- For internal statistical purposes

This is our legitimate interest in the processing of Data in the sense of Art. 6 Par. 1 lit. f. GDPR.

4.3. Contact Possibility via the Website

The Website may contain a contact form that enables a quick electronic contact to ETA, as well as direct communication with us, which also included a general address of the e-mail address. If you contact us by e-mail or via contact form, the personal data transmitted by you is automatically stored.

Such Personal Data transmitted on a voluntary basis by you to us is stored for purpose of processing or contacting you and to handle your request and provide you the service or support you requested. The legal basis for the data processing for these purposes lies in the fulfilment of an agreement in accordance with Art. 6 Par. 1 lit. b GDPR and you have provided consent in accordance with Art. 6 Par. 1 lit. a GDPR.

4.4. Use of Website Cookies:

The Website uses cookies. Cookies are text files that are stored in a computer system via an Internet browser. For further information, visit <https://www.allaboutcookies.org/>.

When you visit our websites, we may collect information from you automatically through cookies. Through the use of cookies, ETA can provide the users of the Website with more user-friendly services that would not be possible without the cookie setting.

You may prevent the setting of cookies through our Website by means of a corresponding setting of the Internet browser used, and may thus permanently deny the setting of cookies. Furthermore, previously set cookies may be deleted at any time via an Internet browser or other software programs. This is possible in all popular Internet browsers. If you deactivate the setting of cookies in the Internet Browser used, it may not be possible to use all the functions of our Website.

If you do not agree to our use of cookies, you should set your browser settings accordingly as described above or not use our Website. By continuing to use our Website without changing your settings, you are agreeing to our use of cookies and the terms with regard to Cookies of this Privacy Policy.

Two types of cookies may be used on the Website - "session cookies" and "persistent cookies". Session cookies are temporary cookies that remain on your device until you leave the Website. A persistent cookie remains on your device for much longer or until you manually delete it (how long the cookie remains on your device will depend on the duration or "lifetime" of the specific cookie and your browser settings).

The table below summarizes the different types of cookies we use on the Website, together with their respective purpose and duration (i.e. how long each cookie will remain on your device).

Cookies used on the Website:

Type of Cookie	What do they do?	Do these cookies collect my personal data / identify me?
Necessary Cookies	Cookies that are essential to making the Website work correctly. They enable visitors to move around our Website and use our features. Examples include remembering previous actions (e.g. entered text) when navigating back to a page in the same session.	These cookies do not identify you as an individual. If you do not accept these cookies, it may affect the performance of our Site.
Performance Cookies	Cookies that help us understand how visitors interact with our web properties by providing information about the areas visited, the time spent on the Site and any issues encountered, such as error messages. They help us improve the performance of our Website, alert of any concerns and more.	These cookies don't identify you as an individual. All data is collected and aggregated anonymously.
Functionality Cookies	Cookies that allow our web properties to remember the choices you make (such as your user name, language or the region you are in) to provide a more personalized online experience.	The information these cookies collect may include personally identifiable information that you have disclosed, such as a username, for example. We shall always be transparent with you about what information we collect, what we do with it and with whom we share it. If you do not accept these cookies, it may affect Site performance and functionality and may restrict access to web content.

Targeting/Advertising Cookies	Cookies that are used to deliver content that is more relevant to you and your interests. They may be used to deliver targeted advertising or to limit the number of times you see an advertisement. They also help us measure the effectiveness of advertising campaigns on the Site.	Most types of these cookies track consumers via their IP address so will collect some personal data.

5. RETENTION OF PERSONAL DATA

The retention period of Personal Data processed by ETA may vary depending on common practice, and considered in accordance with the legal obligations and the applicable limitation rules. In any way, ETA will process and store the Personal Data only for the period necessary to achieve the purpose of storage or as far as this is granted by the applicable laws or regulations.

If the storage purpose is not applicable any more, or if the storage period prescribed by the applicable laws and regulations expires, the personal data are routinely erased in accordance with legal requirements.

6. PERSONAL DATA SECURITY

Personal Data security is of great importance to ETA. In order to protect your Personal Data, we have implemented appropriate physical, electronic and organizational procedures to safeguard and secure the Personal Data collected via our Website in order to ensure its integrity and confidentiality. Our security measures are continuously being improved in line with technical developments. All Personal Data is securely stored in accordance with industry standards and the Swiss Federal Act on Data Protection, the Swiss Ordinance to the Federal Act on Data Protection and the GDPR.

If a password is required to access certain sections of our Website, you are responsible for keeping this password confidential.

We endeavor to do all we can to protect your Personal Data. However, the transmission of information on the Internet is not fully secure and remains under your sole responsibility. We cannot ensure the security and accept no liability of the transmission of your Data to our Website.

7. OTHER PARTIES WHO HAVE ACCESS TO INFORMATION WE COLLECT

With the exceptions described in this section, we do not make your Personal Data available to third parties unless you have expressly consented to it, if we are legally obligated to, or if this is necessary to enforce our rights concerning a contractual relationship. We transmit your Data only to our employees who are authorized to process them as part of their duties.

We may transmit some of your Data to the technical and logistic service provider of our Website located in Switzerland acting on our behalf, and we ensure that they provide for the necessary guarantees with respect to the Swiss Federal Act on Data Protection, the Swiss Ordinance to the Federal Act on Data Protection and the GDPR. The transfer of data is for purpose of providing and maintaining the functionality of our Website. This is our legitimate interest in the sense of Art. 6 Par.1 lit. b and lit f GDPR.

We process your Data in principle in Switzerland. In case it is necessary to transfer your Data to third parties outside Switzerland and the EU, the Data will only be transferred to countries and/or parties that provide an adequate level of protection in accordance with the Swiss and European standards.

If the level of data protection in a country where a service provider is located does not correspond to the Swiss and European data protection level, we contractually ensure that the protection of your personal data corresponds to that in Switzerland and the EU at all times by concluding agreements using the standard contractual clauses complying with the GDPR.

All Personal Data used by these third parties is solely used for the purposes of the services provided at your request. Any use for other purposes is strictly prohibited. In addition, any Personal Data processed by third parties will be in accordance with the terms of this Privacy Policy and in compliance with the Swiss Federal Act on Data Protection and the GDPR. The third party providers we use will only collect and use your information to the extent necessary to enable them to perform the services they provide to us.

8. LINKS TO OTHER WEBSITES

Our Website may, from time to time, provide links to other websites. When you activate them (by clicking on them), the operators of the respective website may record that you are on our website and may use this information. We have no control over such websites and we are not responsible for their content. The processing of your personal data then lays in the responsibility of the individuals of these websites and occurs according to their privacy policy. This Privacy Policy does not extend to the use of such websites. We advise you to read the privacy policy applicable to such other websites before using them.

9. YOUR RIGHTS REGARDING YOUR PERSONAL DATA

a) Right to confirmation

You have the right to obtain confirmation from ETA as to whether or not personal data concerning you is being processed. If you wish to avail yourself of this right of confirmation, you may, at any time, contact the Responsible Person as stated in section 3 of this Privacy Policy.

b) Right to access

You have the right to obtain from ETA free information about your personal data stored at any time and a copy of this information. Furthermore, you will have access to the following information:

- the purposes of the processing;
- the categories of personal data concerned;
- the recipients or categories of recipients to whom the personal data have been or will be disclosed, in particular recipients in third countries;
- where possible, the envisaged period for which the personal data will be stored, or, if not possible, the criteria used to determine that period;
- the existence of the right to request from ETA rectification or erasure of personal data, or restriction of processing of personal data concerning you, or to object to such processing;

- the existence of the right to lodge a complaint with a supervisory authority;
- where the personal data are not collected directly from you, any available information as to their source; and
- the existence of automated decision-making, including profiling, referred to in Article 22(1) and (4) of the GDPR and, at least in those cases, meaningful information about the logic involved, as well as the significance and envisaged consequences of such processing for you.

If you wish to avail yourself of this right of access, you may at any time contact the Responsible Person as stated in section 3 of this Privacy Policy.

c) Right to rectification

You have the right to obtain from ETA, without undue delay, the rectification of inaccurate personal data concerning you. Taking into account the purposes of the processing, you shall have the right to have incomplete personal data completed, including by means of providing a supplementary statement.

If you wish to exercise this right to rectification, you may, at any time, contact the Responsible Person as stated in section 3 of this Privacy Policy.

d) Right to erasure (right to be forgotten)

You have the right to obtain from ETA the erasure of personal data concerning you as soon as possible, and ETA shall have the obligation to erase personal data without undue delay where one of the following grounds applies:

- The personal data is no longer necessary in relation to the purposes for which they were collected or otherwise processed;
- You withdraw consent to which the processing is based according to point (a) of Article 6(1) of the GDPR, or point (a) of Article 9(2) of the GDPR, and where there is no other legal ground for the processing;
- The data subject objects to the processing pursuant to Article 21(1) of the GDPR and there are no overriding legitimate grounds for the processing, or the data subject objects to the processing pursuant to Article 21(2) of the GDPR;
- The personal data has been unlawfully processed;
- The personal data must be erased for compliance with a legal obligation in accordance with the applicable law to which ETA is subject; and/or
- The personal data has been collected in relation to the offer of information society services referred to in Article 8(1) of the GDPR.

If any one of the aforementioned reasons applies, and you wish to request the erasure of personal data stored by ETA, you may at any time contact the Responsible Person as stated in section 3 of this Privacy Policy. The Responsible Person at ETA shall promptly ensure that the erasure request is complied as soon as possible.

e) Right to restriction of processing

You have the right to obtain from ETA restriction of processing where one of the following applies:

- The accuracy of the personal data is contested by you, for a period enabling ETA to verify the accuracy of the personal data;
- The processing is unlawful and you oppose the erasure of the personal data and requests instead the restriction of their use instead;
- ETA no longer needs the personal data for the purposes of the processing, but they are required by you for the establishment, exercise or defense of legal claims; and/or

- The data subject has objected to processing pursuant to Article 21(1) of the GDPR pending the verification whether the legitimate grounds of ETA override those of the data subject.

If any one of the aforementioned conditions is met, and you wish to request the restriction of the processing of Personal Data stored by ETA, you may at any time contact ETA's Responsible Person. The Responsible Person will arrange the restriction of the processing.

f) Right to object

You have the right to object, on grounds relating to your particular situation, at any time, to the processing of personal data concerning you, which is based on point (e) or (f) of Article 6(1) of the GDPR. This also applies to profiling based on these provisions.

ETA shall no longer process the personal data in the event of the objection, unless ETA can demonstrate reasonable grounds for the processing, which override the interests, rights and freedoms of you, or for the establishment, exercise or defense of legal claims. In order to exercise the right to object, you may directly contact the Responsible Person.

g) Right to data portability

You have the right to receive the personal data concerning you, which was provided to ETA, in a structured, commonly used and machine-readable format. You shall have the right to transmit those data to another controller without hindrance from ETA to which the personal data has been provided, as long as the processing is based on consent pursuant to article 6 (1) GDPR or point (a) of article 9 (2) GDPR, or on a contract pursuant to point (b) of article 6 (1) GDPR, and the processing is carried out by automated means, as long as the processing is not necessary for the performance of a task carried out in the public interest.

Furthermore, in exercising your right to data portability pursuant to article 20 (1) GDPR, you shall have the right to have personal data transmitted directly from one controller to another, where technically feasible and when doing so does not adversely affect the rights and freedoms of others.

In order to assert the right to data portability, you may at any time contact the Responsible Person according to section 3.

h) Automated individual decision-making, including profiling

You have the right not to be subject to a decision based solely on automated processing, including profiling, which produces legal effects concerning you, or similarly significantly affects you, as long as the decision (1) is not necessary for entering into, or the performance of, a contract between you and ETA, or (2) is not authorized by the applicable law and which also lays down suitable measures to safeguard your rights and freedoms and legitimate interests, or (3) is not based on your explicit consent.

If the decision (1) is necessary for entering into, or the performance of, a contract between you and ETA, or (2) it is based on your explicit consent, ETA shall implement suitable measures to safeguard your rights and freedoms and legitimate interests, at least the right to obtain human intervention on the part of the controller, to express their point of view and contest the decision.

Please note that ETA does not use automatic decision-making but we may use profiling according to these Privacy Policy rules. OR If you wish to exercise the rights concerning automated individual decision-making, you may, at any time, contact the Responsible Person.

i) Right to withdraw data protection consent

You have the right to withdraw your consent to processing of your Personal Data at any time.

If you wish to exercise the right to withdraw the consent, you may at any time directly contact the Responsible Person as stated in section 3.

10. MISCELLANEOUS

If a court or competent authority considers that any provision of this Privacy Policy (or any part thereof) is invalid, illegal or unenforceable, that provision or relevant part of the provision will, to the extent required, be deemed to be deleted. The validity and enforceability of the other provisions of this Privacy Policy will not be affected.

Unless otherwise agreed, no delay, act or omission by a party in exercising a right or remedy will be deemed a waiver of such right, or of another right or remedy.

This Privacy Policy will be governed by and interpreted according to Swiss law. Any dispute arising out of this Privacy Policy will be subject to the exclusive jurisdiction of the courts in Zug, Switzerland.

CHANGES TO THIS PRIVACY POLICY

We reserve the right to make changes to this Privacy Policy as we deem necessary from time to time or as may be required by law. All changes will be posted immediately on our Website and you are deemed to have accepted the new terms of the Privacy Policy when you first use the Website after such changes. Always the current version of the Privacy Policy, as published on our Website, is applicable.

If our company is the subject of a corporate transaction such as an acquisition or merger with another company, your information may be transferred to the new owners so that we can continue to sell our products to you.
